Sahasra Adurthi, a talented student from Gopalan International School, has made headlines by emerging as one of the city toppers by scoring 99.4 pc in the ICSE exams. This exceptional achievement is a testament to her hard work and dedication.

Academic Excellence*

Sahasra has consistently excelled in her academic pursuits, topping her school in the ICSE curriculum across all sections in 9th grade. Her academic prowess is evident in her ability to balance her studies with extracurricular activities.

Computer Science Whiz*

Sahasra's passion for computer science led her to take the esteemed CS50 online course offered by Harvard University. This comprehensive course introduces students to the world of computer science, covering topics like algorithms, data structures, and web development. Impressively, Sahasra completed nine programmatic assignments at the Harvard level, demonstrating her proficiency in languages like C, Python, SQL, and JavaScript.

Musical Talent*

Sahasra is also the lead singer of GMinors, a Western band at Gopalan International School. Her band has won first place in several interschool competitions, showcasing her musical prowess.

Self-Driven and Passionate*

What sets Sahasra apart is her self-driven approach to her studies and interests. She has a strong competitive spirit and is committed to excelling in everything she pursues. Her dedication to her music practice and academic studies is inspiring, and her ability to balance both is a testament to her resilience and determination.

Sahasra's achievements are a shining example of what can be accomplished with hard work, passion, and dedication. We wish her continued success in all her future endeavors!
